Dear Shirley and Hank:

Congratulations on your marriage. I thought everything went well through the ceremony and reception. Thank you so much for allowing me to be a part of this second greatest experience in both your lives.

The first greatest experience in both your lives, of course, was your decision to follow Jesus Christ. That decision, in turn, has influenced the decisions you made regarding each other. I am confident that God will bless you with strength and peace in the midst of whatever pressures may come your way.

I am writing this letter to you as a way of personally inviting you to place membership with the Highland congregation. I realize that Henry may feel a responsibility at Tenth and Treadaway but if the two of you do decide to go somewhere else, I want you to know there is a place for you and a real work both of you can do in the life of the Highland Congregation. It would be a real joy to have you here and to be able to work with you on a regular basis.

This decision, however, is a personal one for the two of you to make. I wanted you to know my personal interest in having you a part of the Highland church for this next school year. If there is any other way that I can ever be of help to you, please feel free to call on me.

Fraternally yours,

John Allen Chalk
